Dear Parents,

Please accept our apologies for all the letters recently! We're trying our best to make sure that we keep you fully updated about the changes taking place around the school.

Today, we have created a new path in front of the building. This provides a safe route for families walking from the Darrington Close gate through to the main gate while the contractor works are taking place.

Please use this new path and do not cut across the car park. The car park is currently being used by contractors and vehicles, making it unsafe for families to walk through.

Thank you very much for your cooperation and for helping us to keep everyone safe during the ongoing works.

Kind regards,

Steve Down
Headteacher
