

2<sup>nd</sup> September 2026

Dear Parents & Guardians,

I hope you have had a wonderful summer with your families. We are very much looking forward to welcoming your children back to school tomorrow and have a few important updates to share.

## Building works on site

Due to scaffolding and the storage of building materials, some of our parking spaces and access routes are unavailable.

To ensure the safety of our children, staff and visitors, we will be operating a strict one-way pedestrian system with entry via the main gate, with exit via the Darrington Close gate.

Without prior consent from myself, there is **no vehicular access** for parents/guardians onto the school site, whilst the work is carried out.

We appreciate that this will cause some inconvenience and ask that you allow for a little extra time at drop-off and pickup. The children's classrooms and learning will not be affected.

Thank you for your patience and support in keeping everyone safe.

## School meals

A reminder for all parents of our small price increase to school meals. These are now charged at £2.50 per meal. Please ensure your account remains in credit to cover any meals taken.

Year 3 parents & Guardians, a reminder that unless your child is entitled to free school meals, your child's school meal is no longer free of charge.

Due to the recent government changes, for any families who wants to check if their child is entitled / still entitled to free school meals, please check your eligibility by visiting the local authority website: [Free school meals | Cambridgeshire County Council](#)

As always, please do not hesitate to get in touch should you have any questions or concerns.

Yours sincerely,  
Steve Down  
Headteacher
